Dear Vendor,

I would like to start off by thanking you and your business for remaining dedicated to our community, our businesses, and our families. The Port Huron area has certainly seen its fair share of hardship, and while prosperity is being restored to the area, it's impossible to deny that many of our families are still in need. We would like to offer you the opportunity to help us take this restoration one step further.

Our Solution

On Wednesday, August 15, 2018, from 2pm to 7pm, Community First Health Centers will be hosting our 14th Annual Community Health Fair at our office in Port Huron, right on Military Street heading north into Downtown. This year we will be focusing on community education in terms of whole health management; with help from our sponsors, we will be offering free health screenings, healthy food demonstrations, and education on other available community resources. Our goal is to combat the challenges faced in our community through education, and we expect over 250 families to attend.

We Need You

With any and all entirely tax-deductible donations received, we can work together to help our neighbors and further strengthen our sense of community to create a brighter future. For your convenience, there are several community awareness opportunities for you to choose this year.

On behalf of everyone at Community First Health Centers, we would like to thank you for your time and your consideration.

Sincerely,

Janae Greene
Community Development Specialist

*P.S. The best sponsorship opportunities are only available if you submit your registration by **June 15, 2018** – be sure to send your commitment today!*
